Dear Valued Customer,

Thank you for visiting forgottengold.com. You are now well on your way to receiving a cheque for your forgotten gold jewellery! Over the years you may have accumulated a few pieces of gold jewellery that you never wear anymore. Maybe you have a few broken chains or bracelets sitting in your jewellery box. Or you may have inherited some family heirlooms that just aren't your style. Whatever the reason, you can now convert your unwanted gold jewellery into cash.

All types of yellow and white gold can be recycled and all carats. No amount is too small. Search your house today for old rings, bracelets, chains, cufflinks, earrings, anklets, brooches, charms, clasps, links, necklaces, pendants, coins / sovereigns. They are worth their weight in gold!

It's easy to do:

1. Simply complete the attached Recycle Card and sign it.
2. Next, put your old gold jewellery and the completed Recycle Card into a padded envelope (or equivalent) and send it to us at:

*Glasson Recycling Limited,
Galway Technology Centre,
Mervue,
Galway,
Ireland.*

We recommend that you use a postal service which includes insurance cover. ForgottenGold.com insurance does not apply when you choose not to use our gold recycle pack.

Then it's over to us:

- Once we receive your package we will conduct a recycle valuation using the very latest state of the art testing technology to determine the best price. The valuation is based on the amount and quality of gold which can be extracted from your old gold jewellery and the current price of gold on the London Bullion Markets.
- We will then contact you with the valuation details. Remember, you are under no obligation to accept our recycle valuation and we will return your old gold jewellery to you, free-of-charge, if you are not completely satisfied. ***This is our 100% satisfaction guarantee.***
- Assuming you are happy to proceed, we will send you a cheque right away – usually on the same day.

Please note that once your cheque is issued, following your approval of the payment offered, you will not have the opportunity to receive your jewellery back as the recycle process involves melting and refining the old gold jewellery.

Our website www.forgottengold.com contains a lot more information, if you would like to find out more about our fast, safe and discrete gold recycling service. If you have unwanted old gold jewellery, send it to us today.
